

MEXICO

Mexico is a country between the U.S. and Central America that's known for its Pacific and Gulf of Mexico beaches and its diverse landscape of mountains, deserts and jungles

The capital is Mexico City densely populated, high-altitude capital of Mexico. It's known for its Templo Mayor the baroque Catedral Metropolitana de México of the Spanish conquistadors and the Palacio Nacional, which houses historic murals by Diego Rivera.

The currency is Mexican peso and the official language is Spanish.

India and Mexico have striking similarities in geo-climatic conditions, biodiversity, physiognomy and people, cultural and family values, as well as European connections of the colonial era.
