Investment climate conducive in Congo says Gen. [Dr.] Singh

By A Business Reporter

Democratic Republic of Congo is Africa's 2nd largest country. In last 5 years, it has tremendously improved its investment climate. Together with 'ease of doing business' especially in mining, agriculture and power sectors, Congo offers tremendous business potential for India," said Gen. (Dr.) V. K. Singh, Minister of State for External Affairs, Government of India at a seminar on "Investment Opportunities in Democratic Republic of Congo" organized jointly by All India Association of Industries (AIAI), World Trade Centre Mumbai (WTC Mumbai) and the Federation of Associations of Small Industries of India (FASII) in association with Embassy of Democratic Republic of Congo in Mumbai last week.

Rosette Mossi Nyamale, Ambassador of Democratic Republic of Congo in India said that both countries share historic relations with a common struggle for the independence. She thanked Gen. (Dr.) Singh and Government of India for extending credit lines for construction of two hydroelectric dams to bring life transformation in Congo. She said that both countries must develop a synergy of action, through public-private partnership and create conducive environment to accelerate co-operation between India and Congo in order to meet

aspirations of Indian and Congolese people.

Kamal Morarka, Chairman, World Trade Centre Mumbai in his welcome address briefed about potential of Congo to Indian business community. He said, "The 54-country African continent is almost as populous as India. Its rich mineral resources, forest, wild life and other tourist attractions. However there is lack of awareness about Africa's business potential in India." He further offered support to Embassy of Congo to build a World Trade Centre in Congo. World Trade Centre Network is a strong global trade and business network with 320 WTCs across 89 countries, opined Morarka.

Kasongo Musenga, Second Counsellor (Economic Affairs), Embassy of

Congo provided insights about Congo as the ideal business and investment destination in his lucid presentation to the august gathering.

While proposing vote of thanks delegates for their interest, Vijay Kalantri, President, All India Association of Industries (AIAI) said, "Congo with nearly 10,000 Indians and PIOs shares sound political and economic relationship with India. India is among the first countries to establish a diplomatic mission in Kinshasa, the capital city of Congo. In last few years, the bilateral trade with Congo has grown considerably to nearly USD 500 million, conducive business environment and ease of doing business will offer great opportunity for Indian businesses to invest in Congo."

V K Singh promises necessary action

EXPRESSNEWS SERVICE
MUMBAI, APRIL 14

MINISTER OF State for External Affairs General (Retd) V K Singh on Friday reiterated India's strong stance on Kulbhushan Jadhav, an Indian national sentenced to death by Pakistan on charges of espionage, and said that necessary action will be taken to safeguard Indian nationals.

"India knows how to protect its interests and we will take all actions that are necessary to safeguard our nationals anywhere in the world," the Minister of State said on the sidelines of a seminar on investment opportunities in Democratic Republic of Congo at the World Trade Centre at Cuffe Parade in Mumbai. "India has said clearly that Pakistan's claim that Kulbhushan Jadhav is a spy is fictitious. No spy goes to another country with his own passport," the retired General, who was at the seminar as the chief guest, added.

Jadhav, a resident of Mumbai, was allegedly arrested by Pakistani authorities on March

3, 2016, from Balochistan's Mashkel area on the suspicion of espionage and sabotage activities against Pakistan. He was sentenced to death by a Field General Court Martial (FGCM) under section 59 of the Pakistan Army Act (PAA) 1952 and Section 3 of the Official Secrets Act of 1923, a statement by Inter-Services Public Relations (ISPR), Pakistan military's media wing, had said.

In response, India had summoned the Pakistani High Commissioner Abdul Basit and

handed him a demarche that said that Jadhav had been sentenced without any credible evidence against him. "If this sentence against an Indian citizen, awarded without observing basic norms of law and justice, is carried out, the Government and people of India will regard it as a case of premeditated murder," the demarche had stated.

The Minister of State reiterated the statement and said that there was no room for doubt over what India thinks in this regard. "As far as Kulbhushan

MAN HELD FOR HACKING GIRLS' FB ACCOUNTS
Pune city police Friday arrested a youth from Rajasthan who allegedly hacked the Facebook and WhatsApp accounts of girls and used them to send obscene messages. Police said the accused sought financial help from the friends of these girls by claiming to be in financial trouble.

Jadhav is concerned, the statement is very clear. If any action is taken against him, we will consider it as premeditated murder. There can't be stronger words said on the subject," he said.

The minister, however, refused to comment on the video that surfaced on social media that allegedly showed CRPF soldiers being physically assaulted by locals in Kashmir. "I have not seen the video. There are many videos going around and I don't know about their veracity. Who took that video and who posted it, I don't know," he said.

Ambassador of Congo to India Rosette Mossi Nyamale was also present at the seminar. She spoke about the deepening economic and trade ties between the two countries and welcomed private investors to open business in Congo in various sectors. Kasongo Musenga, second counselor of economic affairs at the Congo embassy, also gave a presentation on the steps taken by the government in Congo to incentivise foreign investment and increase the ease of doing business.
